

# SPACE RENTAL

OPTIONS

Sky Candy Austin has five unique interior spaces which may be rented either separately or in conjunction with each other.

Charm Studio is our 56'x58' main space with a variable 21'+ ceiling and lots of natural light.

It is a versatile open area that comes with floor to ceiling theatrical curtains, which can be opened to let in even more light.

AME Studio is a 19'x30' space with a variable 21'+ ceiling, some natural light, and a mirrored wall. It also has a garage-style exterior door that lets out to parking, for convenient large item load-in or for indoor/outdoor events.

This space is ideal for dance and movement rehearsals, breakout conference space, and intimate performances.

The Airboretum is a 19'x24' space with a variable 21'+ ceiling and a small amount of natural light.

It is optimal for small rehearsals, intimate performances, or a side conference room.

Hyrrokkin Pole Studio is an 18'x27' space with a 10' ceiling, some natural light, and a mirrored wall. It also features a large mural by local artist Aeric Van Dorn.

This space is great for dance rehearsals, intimate performances, or a small conference room.

The Secret Room is an 11'x18' space with a 10' ceiling and has a good amount of natural light.

It is ideal for small group breakout sessions and small theatre and dance rehearsals.
